**New Membership**     or      **Membership Renewal**

A permit is required to participate as an active carer of Australian native wildlife. As a member of Tablelands Wildlife Rescue Inc.(TWR) you will be covered by the group's permit. (Individual permits are not required). Membership Fees include insurance through our state body the QLD Wildlife Rehabilitation Council (QWRC).

<input type="checkbox"/> <b>Active Member(s)</b> <b>Annual Membership Fee – Individual - \$40.00</b> <b>Annual Membership Fee – Couple - \$60.00</b> An Active Member is recognised as a permitted carer and rehabilitator of native fauna under the provisions of the Nature Conservation Act 1992 and conditions of the association and who may participate with one vote at general meetings. These members must be insured, and the membership fee includes insurance under QWRC.	<input type="checkbox"/> <b>Financial Only Member (<u>Active</u>)</b> <b>Annual Membership Fee – \$30.00</b> An <u>Active</u> Financial Only Member is <u>not</u> recognised as a permitted carer but may actively participate in other activities of the group such as fund raising, organising events or limited/basic animal transfers etc. These members must be insured, and the membership fee includes insurance cover under QWRC.
<input type="checkbox"/> <b>Junior Active Member / Student</b> <b>Annual Membership Fee –\$30.00</b> Junior Active Members and Students are aged 13 and 18 years and are permitted to care for native fauna under the close supervision of an adult Active Member. These members must be insured, and the membership fee includes insurance cover under QWRC. Please note we are unable to issue or provide permit coverage to anyone under the age of 13 years of age due to DES legislation.	<input type="checkbox"/> <b>Financial Only Member (<u>Non-Active</u>)</b> <b>Annual Membership Fee – Individual - \$20.00</b> A <u>Non-Active</u> Financial Only Member is <u>not</u> recognised as a permitted carer and <u>does not</u> actively participate physically in other activities of the group such as fund raising, helping at events or animal transfers etc. These members do not require insurance and as such the reduced membership fee <u>doesn't</u> include insurance cover.

**PAYMENT METHOD:**    Cash     Cheque     EFT (Reference – *your full name*)

Banking details for payments are: **Bank:** Bendigo Bank    **BSB:** 633108

<p>I understand that I will be joining both TWR and the Queensland Wildlife Rehabilitation Council Inc. (QWRC).          I will abide by the <i>Code of Practice for the Care of Sick, Injured or Orphaned Animals in Queensland</i> under the <i>Nature Conservation Act 1992</i>, including maintaining necessary records for animals in care and will provide details about animals in care when information is periodically requested from TWR for reporting purposes.          As a member of TWR I will act in accordance with the Objects and Terms specified in the TWR (Inc.) Constitution.          I acknowledge that TWR accepts no responsibility for any personal injury, property damage or financial costs incurred from any voluntary work or wildlife care or rescue activities undertaken on its behalf.          I agree that my name and contact details will be stored on a member database by both TWR and QWRC for their use and may be circulated to all other members of TWR and QWRC around the state. I understand these details will not be sold for any purpose.</p> <p><b>Signature:</b> _____ <b>Date:</b> _____</p>

### **Section 3 – Your Wildlife Care and Rehabilitation Facilities:**

Details of your available facilities, equipment and the environment to be used for wildlife care:

#### **Cages and Aviaries**

Please indicate approximate dimensions and applications of any cage or aviary facilities you intend to use for wildlife care and rehabilitation. For Example:

- 1 x 80cm x 75cm x 150cm soft material enclosure for small birds.
- 1 x 1.5m x 2m x 0.8m galvanised aviary for possum rehab.

#### **Securely Fenced Yards and Enclosures**

Please indicate approx. dimensions and applications of any yard areas you intend to use for wildlife care and rehabilitation. For Example:

- Quarter acre block, 6-foot fenced all round, grassed & native plants, no pets allowed.
- Small wallaby enclosure approx. 6m x 6 m with 6-foot wire fence with shade-cloth and padded poles.

#### **Wildlife Pre-Release Sites**

Is your property suitable available for a pre-release site as per the DES Code of Practice?

[https://environment.des.qld.gov.au/data/assets/pdf\\_file/0034/87829/cp-wl-rehab.pdf](https://environment.des.qld.gov.au/data/assets/pdf_file/0034/87829/cp-wl-rehab.pdf)

Yes       No

Release Type:    Birds     Mammals     Macropods     Possums

Please provide information about the site including the habitat type and any details about its use as pre-release site. For example:

- Quarter acre wet rainforest habitat block with secure 6-foot fences and shelters suitable for pre-release but not used for that purpose previously.
- One-acre dry bushland habitat block used for pre-release for three years – limited availability for pre-release depending on the number of animals currently in care.

#### **Separation from domestic pets**

Cat(s)       Dog(s)       Other (Please specify): \_\_\_\_\_

If you ticked any of the above boxes, please provide clear details of how you will be able to keep your domestic pets completely separate from any native fauna in your care. (Please note this includes sharing rooms etc where domestic pet smells may be present, pet faeces may have been present etc.)

#### **Additional information about your wildlife care facilities and/or equipment**

## **Section 4 – Your availability to support TWR Activities:**

Tablelands Wildlife Rescue (Inc.) relies on the generous support of its members volunteering time and assistance to help deliver wildlife rescue and rehabilitation activities across the Tablelands. Please complete the following section to let us know if there are activities you can assist with.

### **Wildlife Rescues, pick-ups and transports**

Are you able to undertake rescues and pick-ups?  Yes  No

Are you available for after-hours rescues and pick-ups?  Yes  No

This may entail rescuing (possibly to pass on to another carer) most species (excluding snakes) or may involve collecting rescued animals from another carer or veterinary clinic to transport to another carer or facility. Bats may be included, but rescuer must be appropriately vaccinated!

If yes, please give details of your availability: *(Tick all that apply or enter specific times)*

	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
Morning							
Afternoon							
Evening							

Please note any other relevant information relating to your ability and availability for rescues and transports:

### **Wildlife Rescue Hotline Shifts**

Are you able to undertake shifts answering Hotline calls?  Yes  No

This will involve hotline calls being redirected/forwarded to your nominated phone number (usually your home or mobile phone number) and will usually involve contacting available members and/or veterinary practices to facilitate the transport, treatment and/or rehabilitation of animals needing care. Training, mentoring and information resources will be made available to assist members answering hotline calls.

If yes, please give details of your availability: *(Tick all that apply or enter specific times)*

	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
Morning							
Afternoon							
Evening							

Please note any other relevant information relating to your availability

### **Wildlife Carer Mentoring and Training**

The assistance of our more experienced members with advanced skills is greatly appreciated in mentoring our new and less experienced members and to assist with delivering training workshops and TWR education and information sessions for new members and for schools etc.

Are you available to mentor new members?  Yes  No

Are you available to assist with training workshops?  Yes  No

Are you available to assist with information sessions?  Yes  No

Please advise any other relevant information relating to your availability for mentoring and training and please note if you have any specific qualifications or accreditations relevant to mentoring and training.

## Other Support Activities

There are a range of essential administrative, fundraising and other types of support activities that rely on our members' support. Please let us know if you can assist with any of the below activities or if you have other experience or skills you are able contribute that could help with TWR overall operations and activities.

<input type="checkbox"/> Fundraising	<input type="checkbox"/> Sponsorship Admin	<input type="checkbox"/> Functions and Events
<input type="checkbox"/> Part-time carer support	<input type="checkbox"/> Supplies Shop Shifts	<input type="checkbox"/> Back-up hotline support
<input type="checkbox"/> Newsletter preparation	<input type="checkbox"/> Website Content Admin	<input type="checkbox"/> Social Media Admin
<input type="checkbox"/> Media/Publicity	<input type="checkbox"/> Membership Admin	<input type="checkbox"/> Meetings Admin
<input type="checkbox"/> Sewing pouches etc	<input type="checkbox"/> Carpentry/Building	<input type="checkbox"/> Rodent/Insect/Fruit Supply

Please let us know if there are any other activities you can assist with and/or any particular experience or skills you have that can contribute to TWR operations and activities:
